Full job description

Job Summary:

Using a client-centered model, within the confines of the Capability Health clinic, as well as using a parent educational model in the Early Intervention program, a Speech Language Pathologist will help the client develop or regain physical or mental functioning by implementing programs to improve speech delays, conditions and feeding issues. The Speech Language Pathologist performs other administrative duties as may be required in support of the program goals and objectives.

Essential Functions and Responsibilities:

- Developing ideas, plans, and procedures for initiation, expansion, improvement, and evaluation of therapy programs.
- Completing initial evaluations and re-evaluations for patients in the program; examining the condition of patients and analyzes their needs; determining the need for a speech/language/feeding therapy evaluation and selects and administers appropriate assessment tools to evaluate the patient.
- Interpreting evaluation data and writing comprehensive reports that reflect strengths and barriers to client participation; directs program development; and guides evidence-based intervention.
- Preparing reports and attending multidisciplinary case meeting to decide and review the continuing treatment.
- Maintaining clinical and administrative records in accordance with professional standards, state guidelines and agency system policy; adhering to federal and state regulation, and policies that

By using Indeed you agree to our new [Privacy Policy](#), [Cookie Policy](#) and [Terms](#), which we encourage you to review.

- Managing case assignment dictated at the discretion of Capability Health's needs in the Early Intervention and outpatient clinic programs.
- Uses professional Code of Ethics and standards of practice to guide ethical decision making in practice.
- Maintaining confidentiality and exercise discretion pertaining to the work environment.
- Participating in continuing education for professional development to ensure practice consistent with best practice and to meet Nevada Licensure requirements.
- Participating in monthly staff meetings; attending staff trainings.
- Managing patients with different types of personalities
- Other duties and responsibilities as assigned.

Skills and Abilities:

- Strong verbal and written communication skills.
- Strong interpersonal communication skills
- Ability to work in an environment with individuals with severe disabilities who may be developmentally and behaviorally challenged.

Qualifications (education, training, experience, licenses)

- Initial certification by National Board for Speech Language Pathology required.
- Current Speech Therapy License from the State of Nevada required.
- CPR and First Aid certifications required.
- Valid driver's license required.
- Knowledge of the federal, state local legislation, regulations, policies and procedures that mandate and guide occupational therapy in practice required.
- Proficiency with Microsoft Office Suite (Word and Excel) required.

Physical Demands:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions

While performing the duties of this job, the employee is regularly required to stand, use hands to handle or feel objects, tools or controls, frequently talk or hear, reach with hands, lift arms above and below shoulder level, occasionally required to sit, stoop, kneel, crouch or crawl.

The employee must be able to lift and/or move up to 50 pounds. Occasionally lift and/or move up to 75lbs. On regular occasions lift and/or move up to 50lbs and can request assistance if needed. Specific vision abilities required by this job include: close vision.

Working Conditions

This position will require up to 80% travel within the service delivery area. This position will be out in Las
