Full job description

Job Summary:

Within our Capability Kids Clinic, a Speech Language Pathologist will help the client develop or regain physical or mental functioning by implementing programs to improve speech delays, conditions and feeding issues. The Speech Language Pathologist performs other administrative duties as may be required in support of the program goals and objectives.

Essential Functions and Responsibilities:

- Develops ideas, plans, and procedures for initiation, expansion, improvement, and evaluation of therapy programs.
- Completes initial evaluations and re-evaluations for patients in the program; examines the condition of patients and analyzes their needs.
- Prepares reports and attends multidisciplinary case meeting to decide and review the continuing treatment.
- Maintains clinical and administrative records in accordance with professional standards, state guidelines and agency system policy; adheres to federal and state regulation, and policies that affect Speech Language therapy practice.

By using Indeed you agree to our new [Privacy Policy](#), [Cookie Policy](#) and [Terms](#), which we encourage you to review.

- Participates in monthly staff meetings.
- Attends staff trainings.
- Case assignment will be dictated at the discretion of Capability Health's needs in the Capability Kids Clinic.
- Manages patients with different types of personalities.
- Interprets evaluation data and writes comprehensive reports that reflect strengths and barriers to client participation; directs program development; and guides evidence-based intervention.
- Uses professional Code of Ethics and standards of practice to guide ethical decision making in practice.
- Other duties and responsibilities as assigned.

Skills and Abilities:

- Excellent verbal, written and interpersonal communication skills
- Ability to work in an environment with individuals with severe disabilities who may be developmentally and behaviorally challenged.
- Ability to maintain confidentiality and exercise discretion pertaining to the work environment.

Qualifications (Education, Training, Experience, Licenses)

- Initial certification by National Board for Speech Language Pathology required.
- Current Speech Therapy License from the State of Nevada required.
- CPR and First Aid certifications required.
- Valid driver's license required.
- Knowledge of the federal, state local legislation, regulations, policies and procedures that mandate and guide occupational therapy in practice required.
- Proficiency with Microsoft Office Suite (Word and Excel) required.

Physical Demands:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions

While performing the duties of this job, the employee is regularly required to stand, use hands to handle

The employee must be able to lift and/or move up to 50 pounds. Occasionally lift and/or move up to 75lbs. On regular occasions lift and/or move up to 50lbs and can request assistance if needed. Specific vision abilities required by this job include: close vision.

Working Conditions

This position will perform clinical duties at Capability Health's outpatient clinic.

Disclaimer:

This is not necessarily an exhaustive list of all responsibilities, duties, skills, efforts, requirements or working conditions associated with the job. While this is intended to be an accurate reflection of the current job, management reserves the right to revise the job or to require that other or different tasks be performed as assigned.

Job Type: Part-time

Pay: \$65.00 - \$75.00 per hour

Expected hours: 25 per week

Schedule:

- Monday to Friday

Work Location: In person

If you require alternative methods of application or screening, you must approach the employer directly to request this as Indeed is not responsible for the employer's application process.
